

FOR PATIENTS WHO HAVE BEEN PRESCRIBED ERASTIG® (RIVASTIGMINE) TRANSDERMAL PATCHES

INSTRUCTIONS FOR USE

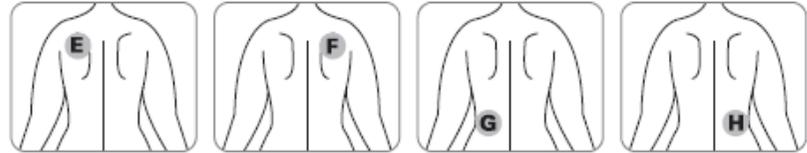

- To minimise the risk of unwanted side-effects, it is important that you and/or the people who care for you know how to use this medicine correctly
- If you have any questions or need more information, please read the package leaflet that comes with the medicine
- Talk to your doctor or pharmacist if you do not understand these instructions or require further assistance

Reporting of side effects: If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard. By reporting side effects you can help provide more information on the safety of this medicine.

Important points to remember!	How to apply your transdermal patch	Where to apply your transdermal patch
<ul style="list-style-type: none"> • Take off the old patch before putting one new patch on • Apply only one patch per day • Do not cut the patch into pieces • Press the patch firmly in place for at least 30 seconds using the palm of the hand • Dispose of old patch by placing it in an empty sachet and then putting it in the bin • Do not expose the patch to any external heat sources (e.g. excessive sunlight, saunas, solarium) for long periods of time 	<ol style="list-style-type: none"> 1. Carefully remove the existing patch from your skin before putting on one new patch  2. Remove the new patch from the sachet. This sachet can now be used to safely dispose of the old patch  3. Peel one side of the protective liner off the patch  4. Put the sticky side of the patch on the upper or lower back, upper arm or chest and then peel off the other side of the protective liner  5. Using the palm of your hand, press the patch firmly in place for at least 30 seconds  	<ul style="list-style-type: none"> • Take off the old patch before putting one new patch on • Apply one new patch every day in only one of the following areas, as shown in the pictures below • You can apply the new patch in one of the marked areas (A or B or C or D or E or F or G or H), but do not use the exact spot within the same area <p>Front</p>  <p>Back</p>  <ul style="list-style-type: none"> • The patch should not be applied to skin that is red, irritated or cut • Do not apply to the stomach or thigh
