

COUGH SYRUP GLUCOSE, TREACLE

Please read right through this leaflet before you start using this medicine.

This medicine is available without prescription, but you still need to use Veno's Cough Syrup carefully to get the best results from it.

- Keep this leaflet you may need to read it again.
- If you have any questions, or if there is anything you do not understand, ask your pharmacist.

In this leaflet

1. What Veno's Cough Syrup does
2. Check before you take Veno's Cough Syrup
3. How to take Veno's Cough Syrup
4. Possible side effects
5. How to store Veno's Cough Syrup
6. Further information

3. How to take Veno's Cough Syrup

 Adults and children aged 12 years and over:
Take 5 ml or 10 ml (one or two 5 ml spoonfuls) every 2 to 3 hours as needed.

Children aged 3 to 12 years:
Give 5 ml (one 5 ml spoonful) every 2 to 3 hours as needed.

-  • **Do not give to children under 3 years**
• **Do not take more frequently than every 2 hours.**

If your symptoms persist, **see your doctor.**

4. Possible side effects

Like all medicines, Veno's Cough Syrup can have side effects, but they are very rare.

Stop taking the medicine and **seek immediate medical help** if you experience:

- Allergic reactions. These may include developing a rash, swelling or difficulty breathing. See Section 2.

Reporting of side effects

If you get any side effects, talk to your doctor or pharmacist. This includes any possible side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard. By reporting side effects you can help provide more information on the safety of this medicine.

1. What Veno's Cough Syrup does

Veno's Cough Syrup is recommended for the relief of a dry (unproductive) cough and will soothe a sore throat in minor respiratory tract infections. The medicine contains two active ingredients: Glucose Liquid and Treacle to help relieve your symptoms.

2. Check before you take Veno's Cough Syrup

Do not take Veno's Cough Syrup:

- If you have ever had an allergic reaction to glucose liquid, treacle or to any other ingredients (listed in Section 6).

Sodium metabisulfite (E223) may rarely cause severe allergic reactions and breathing difficulties.

Take special care with Veno's Cough Syrup

- If you have **diabetes mellitus**. Each 5 ml dose contains **3.18 g of glucose liquid**.

Pregnancy and breast-feeding

Talk to your doctor before taking Veno's Cough Syrup if you are **pregnant or breastfeeding**.

5. How to store Veno's Cough Syrup

Keep out of the reach and sight of children.

Do not use this medicine after the 'EXP' date shown on the pack. Use within 6 months of opening.

6. Further information

Active Ingredient Each 5 ml dose contains Glucose Liquid 3.18 g and Treacle 1.35 g.
